PROFILE

Andy Durette is a Web Developer and Designer with more than 4 years of experience working with financial institutions and agencies.

With his multidisciplinary background, attentiveness towards detail, best practices and an eagerness to learn Andy has provided insight on how to integrate creative and logical processes. These traits have been recognized in the workplace with Andy earning himself a spotlight award during his time with the Bank of Montreal.

Now a soon to be graduate of the University of Toronto's Full Stack Bootcamp Andy seeks roles that will utilize the skill set of a Full Stack Developer.
